

Sponsorship Insights by winmo

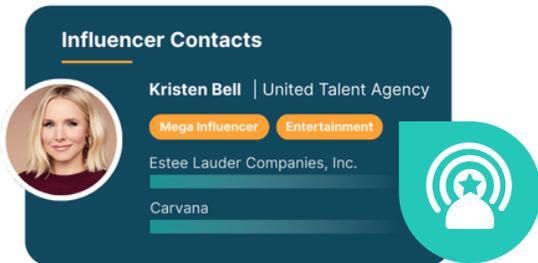

Sports Sponsorship Intel

Winmo's sponsorship insights help you identify sponsorship spenders and tap into corporate partnerships budgets across 15+ different sports.

Just click 'Sponsorships' at the top of any profile in Winmo to navigate to a list of a brand's known league and team relationships!

Influencer Relationship Insights

Winmo is now the only database in the industry to provide a detailed view into brand partnerships with mega-, macro-, and micro-influencers across categories like Lifestyle, Beauty, Health & Wellness, and more.

Discover the 230+ unique influencers mapped to active brand partnerships in our brand's advanced search.

Event & Festival Data

Discover which brands are sponsoring major music and film festivals, and where they're putting their budget.

Spot active spenders, understand how brands are showing up at live events, and uncover new partnership opportunities, all within Winmo's Sponsorship Hub.
